Re: Summary Suspension of Clinical Privileges

Dear Dr. Berwick:

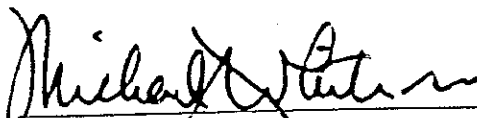

At its meeting of June 16, 2003, the Executive Committee of the Medical Staff of Allegheny General Hospital recommended that your clinical privileges at the Hospital be summarily suspended pending the outcome of the contemporaneous recommendation of the Executive Committee of the Medical Staff that your medical staff membership and clinical privileges at the Hospital be terminated. Effectively immediately, your clinical privileges at Allegheny General Hospital are suspended.

If you or your counsel have any questions regarding this matter, please address them to Jerry J. Fedele, Sr. Vice President and General Counsel, Allegheny General Hospital, 320 East North Avenue, Pittsburgh, PA 15212, telephone 412-359-4918.

Very truly yours,

Connie M. Cibrone  
President and Chief Executive Officer
