Mr. Joseph D. Talarico  
Talarico Paladimo and Berg  
2150 Kappers Building  
Pittsburgh, PA 15219

Dear Mr. Talarico,

Do you think it is too early for us to publish our account of what has been done to Dr. Berwick?

Enclosed is a preliminary book cover and introductory page of our version of the debacle we asked you to help us with.

Also enclosed are three highly contradictory documents which **prove** the mistakes, corruptions and collusions that I speak of.

Give us a call if you get a chance? Thank You.
