RE: Your Primary Care Doctor's Contract Termination

Dear [REDACTED],

Evelyn Berwick has been your Advantra primary health care provider.

On 04/01/2006, our contract with Evelyn Berwick will terminate. While we realize this is a difficult situation, you will need to select a new Primary Care Doctor within thirty (30) days.

To choose a new Primary Care Doctor, complete and return the attached Primary Care Doctor Selection Form. If you have any questions, call our Member Services Department at **1-800-290-0190 (TDD # 1-800-207-1262)**. We can help you select a doctor who is located near your home if you like.

For PCP: If you do not contact Advantra, we **will not** automatically disenroll you; however, to access health care services you will need to select a new Primary Care Doctor. If we have not received a response within the 30-day timeframe, we will select a new Primary Care doctor for you.

Your health care needs are our main concern. We appreciate the opportunity to serve you and look forward to a long and satisfying relationship.

Sincerely,

Julie Billman

Advantra Member Services
