Dear Dr. Berwick:

Gateway Health Plan received your Pennsylvania Standard Application on June 30, 2004. Upon review of your application, it was determined that you were previously released from Gateway Health Plan in November 2002. The reason behind this decision was based upon acts of administrative non-compliance on your part to provide requested information.

At this time, Gateway Health Plan, is returning your application based upon previous administrative decisions. Also, Gateway Health Plan has adequate primary care physician coverage in Allegheny County. If you have any questions please feel free to contact me at 412-255-4506.

Sincerely,

Stephanie Noland
