RE: Dr. Berwick

As we discussed at our last meeting, it would be helpful if I could spend a few minutes with you along with Dr. Berwick together with any friend or witness who might be able to lend support to Dr. Berwick's claim of injury or damage to her professional practice.

If this cannot be arranged within the next 2 weeks, as I stated earlier we are more than happy to extend the Statute of Limitations so as to give you more time within which you might timely file a lawsuit. This extension can be for a period of 30, 60 or 90 days as you may wish.

Alternatively, if you prefer, you could also seek legal counsel and/or otherwise arrange to file either a formal Complaint or a simple Writ or formal Notice of Suit which will serve to constitute a timely filing of your lawsuit.

Please contact me by phone or a note [fax 412-392-5566] as to how you may wish to proceed.

Thanks kindly
